

Honda BUILT. CANADA TESTED.

Built for Canadian winters, every Honda generator comes with Honda Cold Climate Technology™ to help prevent generator shutdown in freezing conditions. You can't trust winter, but you can always trust Honda. Get to your local Honda Power Equipment dealer for the quality products and support to help you POWER THROUGH WINTER!

Extend Your Peace of Mind

As a testament to their quality and reliability, all Honda Power Equipment products come with a distributor's warranty. With Honda Plus, you can extend your peace of mind by choosing the extra coverage that fits your protection needs. Honda Plus Extended Owner Comfort is designed, administered and backed by Honda Canada Inc. Some restrictions or exclusions apply. For more information on warranty, please visit your local dealer or powerequipment.honda.ca.

Offers apply to eligible retail purchase agreements for a limited time, while supplies last. All prices shown do not include freight, P.D.I., or applicable sales taxes and are not applicable in Quebec. Dealer may sell for less. "For a Limited Time" and "Your Price" prices shown include a discount that is deducted from the manufacturer's suggested retail price before taxes. Promotional prices in effect from October 1 to December 31, 2017. Specifications subject to change without notice. At participating Canadian Honda Power Equipment dealers only. Dealer order or trade may be necessary. Models and colours may not be exactly as shown. Errors and omissions excepted. See your Honda Power Equipment dealer or honda.ca/winter for full details.
