INNOVATION BUILT INTO EVERY HUSQVARNA SAW.

**Not all Husqvarna chainsaws include X-Torq® technology. Ask your local dealer for more details.*

X-TORQ®†

The X-Torq® technology reduces exhaust emissions by up to 75% and increases fuel efficiency by up to 20%. Your work will become more comfortable as well as more economical.

LOW VIB®

Effective anti-vibration dampeners absorb vibration, reducing the impact on the user's arms and hands for more comfortable operation.

AIR INJECTION™

A centrifugal air cleaning system for reduced wear and longer operating time between filter cleanings. You will be able to work longer shifts with less effort.

TILLERS

The new range of Husqvarna tillers are easy to handle, manoeuvre and transport, making them perfect for homeowners who want to prepare garden patches and flower beds without using a spade.
